

Important: If driving North to Tamarack, please stay on HWY55, East of Cascade Lake. Google Maps will set the route to take you West of Cascade Lake. It's important that you **DO NOT** take this route. We are working with Google to show the correct route to Tamarack Resort.

When using Google Maps and coming from locations South of Tamarack, such as Boise, please set your directions from your departure location to Donnelly, Idaho and then Tamarack Resort.
